The Church entity and not edifying

Many believe they are providing service to God in the past few days to burn churches in Egypt.

Supposing that burned churches company affects Christian and that Christianity is the only group of buildings called the Church held worship. Like any other religion.

The Following Bible said about them:

(2coirnthians4:4)

Whom the god of this age has blinded the minds of non-believers, lest the light them the light of the glorious gospel of Christ, who is the image of God

Did not know that Christianity is the life source of the Christ, the Son of the living God primarily from the dead .Is the head of the church.

The Church is the body of the community of believers all over the world

(Ephesians 23:5)

Because the man is the head of the wife as Christ is the head of the church, which is the Savior of the body.

Do not fire the fire, and the demolition of buildings in this entity affects because his head is Christ.

What happened only a narrow and was subjected to persecution the church, has said about the Lord Jesus Christ in his speech:

John 33:16

May I have spoken of this to you be at peace. In the world you will have tribulation, but be of good cheer: I have overcome the world.

Neither hunger nor persecution or nakedness, or peril, nor things present, or future be able to separate us from the love of Christ, has promised that we may have peace

I say to those who burn and ruin you, dear brother wrong and totally did not affect the church, but compounded hardness and strength.

But in spite of all this the Lord Jesus Christ loves you and taught me to love you when he told me:

Matthew 44:5

But I say to you: Love your enemies. Bless those who curse you. Do good to them that hate you, and pray for those who despitefully use you, and persecute you,

To Atk returns to patience facing yourself in front of God and think carefully about these words, you ask?
